> Arrange For Commercial Congress. Charleston .- At a session of the central committee of the Southern Commercial congress, chairman of all sub-committees submitted reports of work accomplished in preparation for the holding of the seventh annual convention of the congress here Decem ber 13-17. An outline of plans on which the committees are now at work was given, showing that extensive and elaborate preparations are being made to feed, house and enter tain from 15.00 to 20.000 guests during congress week. Each commit tee submitted an estimated budget or expenses for its work. When the congress was invited here the city ap propriated \$15,000 for advertising the convention and entertaining delegates and visitors. Seventeen subcommittees of the central committee are busily engaged in preparation for

Lives Lost In Fire.

the big week here in December

Batesburg .- In a fire recently on plantation of W. F. Bodie, about three miles north of Batesburg, two negro children were burned to death, one other was seriously burned about the hands and face and a negro woman an aunt of the children, was badly burned about the face.

Newberry Citizens Buy Cattle. Newberry.-Numbers of Newberry

county citizens have invested in thoroughbred Red Poll cattle from the state of Ohio, most of the purchases having already arrived. The purchasers are well pleased.

State Hospital Board Meets. Columbia .- Regents of the State Hospital for the Insane at their quar terly meeting awarded contracts for supplies of heavy groceries and other requirements for the next three months and placed orders for heating apparatus in the portions of the plant recently rebuilt or in process of reconstruction.

Work in progress was inspected by the regents and declared satisfactory The superintendent, C. Fred Williams M. D., reported that the death rate was still high, but said that this was largely due to pellagra.

Big Park For Spartanburg.

Spartanburg.-The city of Spartan ourg has accepted 125 acres of land west of the city offered by the J. W. Alexander Investment company, L. P. Walker and Dr. Jesee Cleveland for park purposes. The development o the property will be begun at once and when completed will be one o the largest parks in the south. / conditional acceptance was also made by the city of park property offered by W. R. Dillingham and the Ark wright Manufacturing company in the southern portion of the city.
